

"Everything begins with an idea."

Earl Nightingale

Start the term with a new goals!

Dear Parents,

I trust that everyone has had a well earned break and is ready for the summer term ahead.

Michelle Clarence
Founder

"I should have prefaced this by expressing our sincere gratitude once again for all your help and assistance with the girls to date.

As I have probably mentioned before, from my perspective you have far exceeded what we had hoped for in terms of what they have achieved with their English. But of significant note to me is the reality that you gave my daughter the gift of enjoying reading and both of them genuine confidence in their abilities. For which, I am incredibly grateful."

City of London Freeman parent

Michelle tutored English to both my children up to Common Entrance exams and I saw their grades improve dramatically. Both achieved A grades for their final exams. Michele, helped to develop the confidence in the ability of each child and provided challenges to stretch their potential.

She is an inspirational tutor and both kids enjoyed their time with her.

**Mrs Mabbutt,
Epsom College parent**

Please share and comment on our page. We would appreciate your input!

Dates for the diary

Vere Education Tuition
2019

Term Dates
Half Term:

24/4-7/6

Half term: 24/5-7/7

(no tuition including these dates)

No breaks on 14-16 June

Enrolment for GCSE Mock

Examination and final

Examination preparation has started. Please make mention to friends who may need support.

We cover all subjects.

We look forward to working with your children this term.

Our GCSE pupils have Examinations around the corner. Common Entrance candidates have weeks to go - final push! Loads of sleep and calm revision sessions in 15 minute intervals is recommended at this point in time. We also welcome new pupils as preparations are under way for 11+ Entrance Examinations next year. Final lesson times will be confirmed this week. Please let me know in advance whether these start times work for you. Due to timetabling there is a slight alteration to some lesson start times and length.

Suggestions for the new year!

Maths/ Reading Lists to improve literacy to be reissued- Please hand in your reviews!

Let's hear what your goals are for the new term!

We look forward to a wonderful summer term.

We are always looking for news from our students or samples of work/alumni. Sharing grades improved, your feedback, news of moving onto another school as we really like being in touch! lauriels@icon.co.za
