Would you like a Vere Bookclub exchange?

Let us know how you feel about a book exchange club?

If you've got an ample collection of books that you've already read gathering dust and taking up space on your shelves. Unless a book is exceptionally special, you likely won't read it again. This is an inconvenience experienced by most avid readers and the fate of most previously read books. So wouldn't it be great if there was a way to unload your old books, score new-to-you reads, and connect with like-minded people all at the same time? There is! It's called a book exchange. <http://lifestylecitizens.org/start-a-book-exchange/>
