'Autumn carries more gold in its pocket than all the other seasons.' Jim Bishop

Dear parents and pupils,
October Half Term was productive for most with some travel and rest in between.

Our pupils enjoyed travels abroad to Dubai, Ireland, South Africa, Greece and Tanzania!

The Clarences enjoyed a much needed visit to South Africa's KwaZulu.

11+ courses were successfully run online and we wish our pupils the best for their pending ISEB and written 11+ Entrance Examinations. Inter-

view skills and scholarship final preparations take place over the coming weeks.

Our GCSE pupils continue to work hard for their pending mock examinations in November.

Strength and wishes to our Lower 6th pupils as they write entrance examinations over the next two weeks.

Carpets of orange and golden leaves continue to fill the expanses of our surrounds. We have been blessed

with Autumn sunshine and beautiful days out.

Time to stock up with books and start making Christmas decorations and biscuits.

Thank you for your ongoing support during a very busy term.

Please ensure pupils get sufficient sleep and exercise with the pressures of exams looming.

Kind regards,
Michelle

Aldridge learns a new skill
Michaela's literacy unit: Jack and The Beanstalk has inspired Aldridge to take up harp lessons! Congratulations both! Incredible inspiration and work.

The musician is constantly adjusting decisions on tempo, tone, style, rhythm, phrasing, and feeling—training the brain to become incredibly good at organizing and conducting numerous activities at once. Dedicated practice of this orchestration can have a great payoff for lifelong attentional skills, intelligence, and an ability for self-knowledge and expression.

Gratitude Jar Activity
Gratitude jars are a fun, artistic, and hands-on way for children to practice gratitude. In this activity, children will create a special jar for saving gratitude statements at the end of each day. Using blank slips of paper, or the prompts provided in this handout, they will write down three good things about their day.

“Music cultivates deeper thinking and attentiveness.”
